

# GOREMONGER

## FIREFIGHT PLOY

### UNBRIDLED AGGRESSION

When they close with the enemy, Goremongers fight with all the savage fury and martial prowess of the Bloodletters they so idolise.

Use this firefight ploy when a friendly **GOREMONGER ** operative is fighting during an activation in which it performed the **Charge** action, at the end of the Roll Attack Dice step. Until the end of that sequence, that operative's melee weapons have the Severe weapon rule.
