REANIMATE

1/2AP

► Select one of your Reanimation markers visible to and within 6" of this operative. Roll one D6: on a 3+, a friendly operative is **REANIMATED**; if you spent 1 additional AP, a friendly operative is automatically **REANIMATED** (you don't need to roll one D6). An operative that's **REANIMATED** from this unique action is set up expended if it was already expended during this turning point.

◆ This operative cannot perform this action while within control range of an enemy operative.
