## FACTION EQUIPMENT

### COMBAT DAGGERS

When close combat is required, the Kasrkin turn to their combat daggers in order to silence the enemy.

Friendly **KASRKIN**  operatives have the following melee weapon:

| NAME                                                                                           | ATK | HIT | DMG |
|------------------------------------------------------------------------------------------------|-----|-----|-----|
|  Combat dagger | 3   | 4+  | 3/4 |
