🔫 Gun butt	3	4+	2/3	-

Cult Icon: Whenever determining control of a marker within 4" of this operative, treat the total APL stat of friendly **SANCTIFIER**👤 operatives that contest it as 1 higher if at least one friendly **SANCTIFIER**👤 operative contests that marker. Note this isn't a change to the APL stat, so any changes are cumulative with this.

Imperial Cult Devotion: Once per turning point, when a ready friendly **SANCTIFIER**👤 operative is incapacitated while visible to and within 6" of this operative, you can use this rule. If you do, before that operative is removed from the killzone, it can perform one free action (excluding **Fight**), and you can change its order to do so. It's then removed from the killzone as normal.
