🔪 Shrieker cannon (sweeping)	4	3+	4/5	Rending, Heavy (Dash only), Torrent 2", Humbling Cruelty*
🔪 Shrieker blade	4	3+	3/4	Rending

***Humbling Cruelty:** If the target of this weapon isn't incapacitated but any of your attack dice inflict damage, the target gains one of your Humbling Cruelty tokens (if it doesn't already have one). Whenever an enemy operative has one of your Humbling Cruelty tokens, worsen the Hit stat of its weapons by 1 and subtract 2" from its Move stat. This isn't cumulative with being injured. At the end of that enemy operative's next activation, remove its Humbling Cruelty token.
