

WRECKA KREWS

FACTION EQUIPMENT

ENGINE OIL

Wrecka Krews are known to ingest the oils of vehicles they have destroyed. The intoxicating fluid bolsters their natural resilience.

Once per turning point, when a friendly **WRECKA KREWS** operative (excluding **BOMB SQUIG**) is activated, you can use this rule. If you do, until the end of that activation, you can ignore any changes to that operative's stats from being injured (including its weapons' stats).
