

WYRMBLADE

FIREFIGHT PLOY

COILED SERPENT

When the ambush occurs, it does so with lightning speed and precise coordination, obliterating its targets in a hail of firepower or slashing blades.

Use this firefight ploy when a friendly **WYRMBLADE**  operative is shooting or fighting, after rolling your attack dice. If that friendly operative's order was changed from Conceal to Engage at the start of that activation and this is the first time it's performed either the **Shoot** or **Fight** action during that activation, you can retain one of your normal successes as a critical success instead. Note this ploy cannot come into effect more than once per activation (you cannot use it during both the **Shoot** and **Fight** action in the same activation).
