

# BLADES OF KHAINE

## FIREFIGHT PLOY

### CONTEMPT

The martial superiority of the Aeldari species is expressed by their Aspect Warriors, who dance through incoming fire and heavy strikes with contemptuous ease.

Use this firefight ploy when a friendly **BLADES OF KHAINE ** operative is retaliating or an enemy operative is shooting it, after your opponent rolls their attack dice, but before re-rolls. Until the end of the sequence, your opponent cannot re-roll their attack dice (if your opponent declared the use of any firefight ploys during that sequence that would allow them to re-roll, that ploy is cancelled and the CP spent on it is refunded).
