

BLOODED

FACTION RULE

BLOODED

The Blooded seek to earn the favour of malign warp entities by hurling themselves into combat and slaying the most potent foes. Should they die in the attempt, their souls may serve as acceptable sacrifices.

You gain one Blooded token:

- In the Ready step of each Strategy phase.
- The first time an enemy operative is incapacitated during each turning point.
- The first time a friendly operative is incapacitated within 6" of an enemy operative during each turning point.
