

HAND OF THE ARCHON

FACTION RULE

POWER FROM PAIN

The Drukhari feed on the souls of their slain and tortured victims, drawing sustenance from the terrible agonies they inflict.

After a friendly **HAND OF THE ARCHON ** operative performs an action, it gains one of your Pain tokens if:

- An enemy operative was injured during that action, but was not incapacitated.
- An enemy operative was incapacitated during that action. If that enemy operative had a Wounds stat of 12 or more, that friendly operative gains two of your Pain tokens instead.

You can spend friendly operatives' Pain tokens on invigoration when the 'when' condition is met. You cannot use more than one invigoration per activation or counteraction, except Stimulated Senses, which can be used once per activation or counteraction in addition to another invigoration.
