

# PATHFINDER

## STRATEGY PLOY

### RECON SWEEP

Pathfinders are tasked with reconnaissance roles and are skilled at crossing difficult terrain to outflank unsuspecting targets.

Select one killzone edge (excluding your own). Each friendly **PATHFINDER**  operative that's wholly within 6" of that edge can immediately perform a free **Dash** action in an order of your choice, but each that does so must end that move wholly within 6" of a killzone edge (excluding your own). You cannot use this ploy during the first turning point.
