Lead the Procession: In each turning point after the first, whenever this operative is an **ORATOR** and performs the **Charge**, **Fall Back** or **Reposition** action during its activation, you can use this rule before it moves. If you do, determine each other friendly **SANCTIFIER** operative that's benefitting from the **SERMON** and is visible to this operative (or vice versa). After this operative ends that action, each of those friendly **SANCTIFIER** operatives can immediately perform a free **Charge**, **Fall Back** or **Reposition** action in an order of your choice (choose separately for each), but each cannot move more than 3" and must end that move in a location where they are still benefitting from the **SERMON**. If this operative is incapacitated before this rule is fully resolved, e.g. from the **Guard** action's interruption (see close quarters rules, *Kill Team Core Book*), don't remove it from the killzone until this rule has been resolved.
