

SCOUT SQUAD

FIREFIGHT PLOY

COVERT POSITION

Space Marine Scouts excel at camouflaging themselves, laying in wait for hours or even days at a time until they identify the perfect moment to strike.

Use this firefight ploy during a friendly **SCOUT SQUAD**  operative's activation. Until the start of its next activation, while that operative has a Conceal order and is in cover, it cannot be selected as a valid target, taking precedence over all other rules (e.g. Seek, Vantage terrain) except being within 2".
