⚔️	Fists	3	3+	3/4	-

Sorcerous Automata: Whenever this operative is activated, subtract 1 from its APL stat until the end of that activation, unless a friendly **WARPCOVEN** **SORCERER** operative is within 9" of it.

Icon Bearer: Whenever determining control of a marker, treat this operative's APL stat as 1 higher. Note this isn't a change to its APL stat, so any changes are cumulative with this.
