

# XV26 STEALTH BATTLESUIT

## FIREFIGHT PLOY

### SAVIOUR PROTOCOLS

The drones of this kill team are hard-coded to prioritise the safety of their comrades, even at the cost of their own existence.

Use this firefight ploy when a friendly **XV26 STEALTH BATTLESUIT ** operative (excluding **DRONE**) is selected as the valid target of a **Shoot** action. Select one friendly **XV26 STEALTH BATTLESUIT ** **DRONE** operative visible to and within 3" of that first friendly operative to become the valid target instead (even if it wouldn't normally be valid for this). This ploy has no effect if the ranged weapon has the Blast or Torrent weapon rule.
