

CORSAIR VOIDSCARRED💀

FACTION RULE

RIFLES

Whilst not all Aeldari outcasts have walked the Path of the Warrior, all are skilled in the use of rifles.

Whenever a friendly **CORSAIR VOIDSCARRED💀** operative is shooting with a shuriken rifle or ranger long rifle during an activation in which it hasn't performed the **Charge**, **Fall Back** or **Reposition** action, that weapon has the Accurate 1 weapon rule. Note that operative isn't restricted from performing those actions after shooting.
