

DEATH KORPS💀

STRATEGY PLOY

REGROUP

Even in the confusion of combat, the Death Korps of Krieg retain their focus, returning to formation as they destroy the enemy with accurate las fire.

SUPPORT. Select one friendly **DEATH KORPS**💀 operative that's more than 3" from enemy operatives. Each other friendly **DEATH KORPS**💀 operative within 5" of that operative and not within control range of enemy operatives can immediately perform a free **Dash** action in an order of your choice, but each that does so must end that move closer to that operative. Note that a Comms Device from universal equipment only affects the second distance of this rule.

You cannot use this ploy and the Chronometer faction equipment **STRATEGIC GAMBIT** during the same turning point.
