🗡️ Blade	3	3+	3/5	-

Hardy: Whenever an attack dice would inflict Critical Dmg on this operative, you can choose for that attack dice to inflict Normal Dmg instead.

Cold-blooded: Whenever this operative is shooting against, fighting against or retaliating against a wounded enemy operative, this operative's weapons have the Lethal 5+ weapon rule; if that enemy operative is also injured, this operative's weapons also have the Rending weapon rule.
