Hexorcise: Whenever an enemy operative is visible to and within 6" of this operative, your opponent cannot re-roll their attack or defence dice for that operative.

CHASTEN

1AP

Select one enemy operative that's a valid target for this operative and within 6" of it, then select one additional rule (including a unique action) that enemy operative has on its datacard (excluding a weapon rule or a rule that states it is ignored for the kill/elimination op). Until the end of that enemy operative's next activation, it's treated as not having that additional rule.

This operative cannot perform this action while within control range of an enemy operative.
