

SANCTIFIER

FIREFIGHT PLOY

REDEEMED THROUGH FIRE

There are few more blessed deaths than fiery martyrdom. Such a sacrifice stokes smouldering resolve in the hearts of fellow Sanctifiers.

Use this firefight ploy when a friendly **SANCTIFIER**  operative that has a weapon with the Blaze weapon rule is incapacitated, before it's removed from the killzone. Each enemy operative visible to and within 2" of it gains one of your Blaze tokens (if it doesn't already have one).
