

ANGEL OF DEATH

FIREFIGHT PLOY

SHOCK ASSAULT

The Adeptus Astartes strike with exceptional speed and strength, the roar of chainswords and brutal assaults spelling death for their foes.

Use this firefight ploy when a friendly **ANGEL OF DEATH**  operative is performing the **Fight** action during an activation in which it performed the **Charge** action, at the start of the Resolve Attack Dice step. Until the end of that action:

- Its melee weapon has the Shock weapon rule.
- The first time you strike during that sequence, inflict 1 additional damage (to a maximum of 7).
