

ANGEL OF DEATH

FACTION EQUIPMENT

AUSPEX

Auspexes come in many forms. These scanning devices can detect motion, analyse atmospheric conditions and reveal heat signatures.

Once per turning point, when a friendly **ANGEL OF DEATH**  operative performs the **Shoot** action and you're selecting a valid target, you can use this rule. If you do, until the end of the activation/counteraction, enemy operatives within 8" of that friendly operative cannot be obscured.
