

BROOD BROTHER FIREFIGHT PLOY

IDOLISATION

The Cult's leaders use the psionic power of the Broodmind to provide powerful inspiration to their followers.

Use this firefight ploy when a friendly **BROOD BROTHER ** operative (excluding **LEADER**) within 6" of a friendly **BROOD BROTHER  LEADER** or **BROOD BROTHER  ICONWARD** operative is shooting, fighting or retaliating, in the Roll Attack Dice step. You can retain one of your fails as a normal success instead of discarding it, or retain one of your normal successes as a critical success instead.
