

CORSAIR VOIDSCARRED

FACTION EQUIPMENT

MISTFIELD

A mistfield projects a field of thick moisture around the bearer that not only obscures their form, but also slows bullets, reducing their lethality.

Once per turning point, when an operative is shooting a friendly **CORSAIR VOIDSCARRED ** operative more than 3" from it, at the start of the Roll Defence Dice step, you can use this rule. If you do, worsen the x of the Piercing weapon rule by 1 (if any) until the end of that sequence. Note that Piercing 1 would therefore be ignored.
