

GOREMONGER

FACTION RULE

GORE TANKS

Goremongers' tanks contain a concoction of stimulants, recombinant proteins and alchemical fuel. This cocktail energises the carrier, but the tanks require a constant supply of blood and gore for the infernal alchemy to function at peak efficiency.

Each friendly **GOREMONGER**  operative has a **GORE TANK** that has three levels: full, half and empty. They start the battle at half. Whenever a **GORE TANK** increases, it goes up one level; whenever it decreases, it goes down one level. A **GORE TANK** cannot increase when it's already full, or decrease when it's already empty (see diagram on other side).
