Daemonic Aura: Whenever an enemy operative performs the **Fall Back** action while within control range of this operative, you can use this rule. If you do, roll one D6: on a 3+, that enemy operative cannot perform that action during that activation/counteraction (the AP spent on it is refunded).

Soul Gorge: After this operative fights or retaliates, if it isn't incapacitated, but it incapacitated an enemy operative during that sequence, it regains up to D3+1 lost wounds.
