

FARSTALKER KINBAND

FIREFIGHT PLOY

SAVAGE AMBUSH

Kroot Farstalkers are ambush predators, relying upon stealth, speed and bursts of savage violence to take down their enemies.

Use this firefight ploy during the **Fight** action when a ready friendly **FARSTALKER KINBAND** operative that has Light or Heavy terrain within its control range is selected to fight against. In the Resolve Attack Dice step of that sequence, you resolve the first attack dice (i.e. defender instead of attacker).
