## APOPLECTIC REJUVENATION

1AP

➡ Select one friendly **FELGOR RAVAGER** 🧟 operative that doesn't have one of your Frenzy tokens and is visible to and within 6" of this operative. That friendly operative regains up to 2D3 lost wounds; if that operative has incapacitated an enemy operative while fighting or retaliating during the battle, it regains up to 6 lost wounds instead.

◆ This operative cannot perform this action while within control range of an enemy operative.

## MANTLE OF DARKNESS

1AP

► **PSYCHIC.** Until the start of this operative's next activation or until it's incapacitated (whichever comes first), whenever a friendly **FELGOR RAVAGER** 🧟 operative is visible to and within 3" of this operative, has a Conceal order and is in cover, that friendly operative cannot be selected as a valid target, taking precedence over all other rules (e.g. Seek, Vantage terrain) except being within 2".

◆ This operative cannot perform this action while within control range of an enemy operative.
