Null Rod: **PSYCHIC** ranged weapons cannot inflict damage on this operative. For the effects of **PSYCHIC** actions, this operative cannot be selected and is never treated as being within those actions' required distances. Whenever an operative is within 6" of this operative:

- That operative cannot perform **PSYCHIC** actions or use **PSYCHIC** additional rules.
- That operative cannot use **PSYCHIC** ranged weapons.
- **PSYCHIC** melee weapons have no weapon rules and cannot have Dmg stats higher than 3/4.

***Anti-PSYKER:** Whenever this weapon is being used against an operative that has the **PSYKER** keyword, add 1 to both Dmg stats of this weapon and it has the Lethal 5+ weapon rule.
