**Defence Tactics:** Whenever this operative contests an objective marker or one of your mission markers, or whenever it's shooting an enemy operative that does, this operative's weapons have the Balanced weapon rule.

**Exarch:** This operative can perform two **Shoot** or two **Fight** actions during its activation.

**Shimmershield:** Whenever an operative is shooting a friendly **BLADES OF KHAINE** operative that's visible to and within 2" of this operative, ignore the Piercing weapon rule. This operative only has this rule if you select the shimmershield weapon option.
