## DATA CORONAL ACCUMULATOR

1AP

▶ **SUPPORT.** Determine the friendly **BATTLECLADE** operatives within 6" of this operative and/or a friendly **BATTLECLADE** **AUTO-PROXY** operative, then roll one D3. If the result is equal to or less than the number of objective markers those friendly operatives contest, you gain 1CP. For the purposes of the Comms Device universal equipment, the operative the distance is being determined from must control your Comms Device marker to add 3" to its distance requirement for this rule.

◆ This operative cannot perform this action while within control range of an enemy operative.
