

BATTLECLADE STRATEGY PLOY

INCANTATION OF THE IRON SOUL

Through chanted binharic praise from the Tech-Priests, or sparked by holy subroutines, microactuators lock into bracing positions and reserve power cells are brought online. The flesh may be weak, but the sacred invulnerability of the Machine God's augmetic blessings is evident to all.

Whenever an attack dice inflicts damage of 3 or more on a friendly **BATTLECLADE**  operative, roll one D6: on a 4+, subtract 1 from that inflicted damage.
