Beast: This operative cannot perform any actions other than **Charge**, **Dash**, **Fall Back**, **Fight**, **Gather**, **Guard**, **Reposition**, **Pick Up Marker** and **Place Marker**. It cannot use any weapons that aren't on its datacard.

Loyal Companion: Whenever an enemy operative performs the **Fight** action, if this operative is a valid operative to fight against, you can force them to select this operative to fight against instead. Whenever an enemy operative ends the **Charge** action within control range of another friendly **ELUCIDIAN STARSTRIDER** operative within 3" of this operative, if this operative isn't within control range of enemy operatives, this

operative can immediately perform a free **Charge** action, but must end that move within control range of that enemy operative.

▶ Perform a free **Dash** or **Reposition** action with this operative. During that move, it can perform a free **Pick Up Marker** or **Place Marker** action (you can determine control during that action to do so), and any remaining move distance it had from the **Dash** or **Reposition** action can be used after it does so.
