

ELUCIDIAN STARSTRIDER👤

FACTION RULE

PRIVATEER SUPPORT ASSETS

The Starstriders never stray too far from the *New Dawn*. Overhead, its massive batteries of ship-based artillery rain down on enemies, providing invaluable air support.

Once per Firefight phase, when a friendly **ELUCIDIAN STARSTRIDER👤 NAVIS** or **ELUCIDIAN STARSTRIDER👤 ELUCIA VHANE** operative performs the **Shoot** action, you can select one of the following **PRIVATEER SUPPORT ASSET** ranged weapons for it to use. You cannot use each **PRIVATEER SUPPORT ASSET** more than once per battle.

Whenever a friendly **ELUCIDIAN STARSTRIDER👤** operative is using a **PRIVATEER SUPPORT ASSET**, determine cover saves differently. Instead, the target has a cover save if any part of its base is underneath Vantage terrain. Note that while this can affect the target's cover save, you must still select a valid target as normal. In other words, the shot is guided by an operative in the killzone, but it comes from above.
