

FACTION RULE

WARRANT OF TRADE

The writ of a Rogue Trader allows them incredible access across the Imperium. With more flexibility than almost any other agents of the Imperium, they barter, intimidate and 'borrow' to gain valuable resources that allow them to enter any engagement with the upper hand.

Up to four times per battle, you can use a **WARRANT OF TRADE** rule (below). Each one specifies when it can be used, and you cannot use the same **WARRANT OF TRADE** rule more than once per battle.
