|  Double-handed chainaxe | 5   | 4+  | 5/7 | Brutal   |

## Devastating Onslaught:

- Whenever this operative is fighting or retaliating, enemy operatives cannot assist.
- At the end of each enemy operative's activation or counteraction, you can select one enemy operative within 2" of this operative. This operative can perform a free **Charge** action (you can change its order to Engage to do so), but it cannot move more than 2" and must end that move within control range of that selected operative.
