Cherub:

- Whenever determining control of an objective marker, treat this operative's APL stat as 1 lower. Note this isn't a change to its APL stat, so any changes are cumulative with this.
- Whenever this operative has a Conceal order and is in cover, it cannot be selected as a valid target, taking precedence over all other rules (e.g. Seek, Vantage terrain) except being within 2".
- This operative cannot use any weapons that aren't on its datacard, or perform unique actions other than **Incentivise**.

Fly: Whenever this operative is performing the **Charge**, **Fall Back** or **Reposition** action, it can **FLY**. If it does, don't move it. Instead, remove it from the killzone and set it back up wholly within a distance equal to its Move stat horizontally of its original location (in a killzone that uses the close quarters rules, e.g. Killzone: Tomb World, this distance cannot be measured over or through Wall terrain). Note that it gains no additional distance when performing the **Charge** action. It must be set up in a location it can be placed, and unless it's the **Charge** action, it cannot be set up within control range of an enemy operative.

INCENTIVISE

1AP

- ▶ **SUPPORT.** Select one other friendly **SANCTIFIER** operative (excluding **CONFESSOR**, **DEATH CULT ASSASSIN**, **MIRACULIST** and **ORATOR**) visible to and within 2" of this operative. Until the end of that operative's next activation, add 1 to its APL stat.
- ◆ This operative cannot perform this action while within control range of an enemy operative.
