🔥🔥🔥 Rokkit launcha	6	5+	4/5	Blast 1"
👊 Fists	3	3+	3/4	-

Kompetitive Streak: Once per **Shoot** action, if this operative shoots an enemy operative that another friendly operative has already shot during this turning point, you gain 1 Wrecka point. Determine this when you select a valid target, but you can include any secondary targets when doing so (e.g. from the Blast weapon rule).
