Lead the Procession: In each turning point after the first, whenever this operative is an **ORATOR** and performs the **Charge**, **Fall Back** or **Reposition** action during its activation, you can use this rule before it moves. If you do, determine each other friendly **SANCTIFIER** operative that's benefitting from the **SERMON** and is visible to this operative (or vice versa). After this operative ends that action, each of those friendly **SANCTIFIER** operatives can immediately perform a free **Charge**, **Fall Back** or **Reposition** action in an order of your choice (choose separately for each), but each cannot move more than or be removed and set up more than 3" and must end that move in a location where they are still benefitting from the **SERMON**. If this operative is incapacitated before this rule is fully resolved, e.g. from the **Guard** action's interruption (see close quarters rules, *Kill Team Core Book*), don't remove it from the killzone until this rule has been resolved.

Commanding Declamation: Whenever an enemy operative would perform an action during an activation or counteraction while visible to and within 6" of this operative, you can use this rule. If you do, roll one D6: if the result is higher than that enemy operative's APL stat:

- It cannot perform that action during that activation/counteraction (the AP spent on it isn't refunded). If it's a counteraction, that counteraction ends.
- You cannot use this rule again during the battle.
