

SCOUT SQUAD

STRATEGY PLOY

AMBUSH

Scout Squads utilise stealth to close within range of their foes, carefully selecting their targets before unleashing a devastating assault.

Whenever a friendly **SCOUT SQUAD ** operative is shooting or fighting during its activation, if its order was changed from Conceal to Engage at the start of that activation, or it wasn't visible to enemy operatives at the start of that activation:

- That friendly operative's weapons have the Balanced weapon rule.
- If the target is expended, that friendly operative's weapons have the Ceaseless weapon rule instead.
