ASSASSINATE

2AP

- ▶ Select one enemy operative this operative isn't visible to. Perform a free **Charge** action with this operative, but don't exceed its Move stat (i.e. don't add 2"), and it must end that move within control range of that enemy operative. Then immediately perform a free **Fight** action with this operative against that enemy operative. The first time you strike during that action, you can immediately resolve another of your successes as a strike (before your opponent).

- ◆ This operative cannot perform this action while it has an Engage order, or while within control range of an enemy operative.

FAMILIAR'S SOULSIGHT

1AP

- ▶ Select one enemy operative visible to this operative. Until the end of the battle, or until this action is performed again by a friendly operative (whichever comes first), that enemy operative gains one of your Soulsight tokens. Whenever this operative is fighting or retaliating against an enemy operative that has one of your Soulsight tokens, its Sanctus bio-dagger has the Brutal and Balanced weapon rules.
- ◆ This operative cannot perform this action while within control range of an enemy operative.
