Relic Hunters: Once per battle, one friendly **WARPCOVEN** **TZAANGOR WARRIOR** can perform the **Pick Up Marker**, **Place Marker** or a mission action for 1 less AP if that friendly operative is within your opponent's territory.

***Shield:** This operative has a 4+ Save stat, and whenever it's fighting or retaliating with this weapon, each of your blocks can be allocated to block two unresolved successes (instead of one).
