

WRECKA KREW

FIREFIGHT PLOY

KABOOM!

The more intense the dakka and the louder the boom of explosions, the more satisfying the carnage!

Use this firefight ploy when a friendly **WRECKA KREW**  operative performs the **Shoot** action and a weapon with the Blast weapon rule is selected. Until the end of that action, add 1" to that weapon's Blast and it has the Severe weapon rule when shooting the primary target. You cannot use this ploy and the Drill Rokkits rule (see faction equipment) during the same action. Note that Severe doesn't generate a Wrecka point (as it's not a 6).
