Group Activation: Whenever this operative is expended, you must then activate one other ready friendly **PATHFINDER** **SHAS'LA** operative (if able) before your opponent activates. When that other operative is expended, your opponent then activates as normal (in other words, you cannot activate more than two operatives in succession with this rule).

Fearless on the Frontline: This operative can perform the **Markerlight** action while within control range of an enemy operative (this takes precedence over the **Markerlight** action's normal conditions). In addition, this operative can perform the **Fall Back** action for 1 less AP.
