

SANCTIFIER

FACTION RULE

BLAZE

Only in holy fire can deviance be absolved. With flamer and burning hands the faithful purge the malignant taint of heresy.

Some weapons in this team's rules have the Blaze weapon rule below.

***Blaze:** If you inflict damage with any critical successes, the operative this weapon is being used against gains one of your Blaze tokens (if it doesn't already have one). Whenever an operative that has one of your Blaze tokens is activated, inflict D3 damage on it. Then that operative's controlling player selects one of the following:

- Roll one D6: on a 3+, remove that token.
- Subtract 1 from the operative's APL stat until the end of that activation to remove that token.
