

You must select at least one friendly **SORCERER** operative. Other than **WARRIOR** operatives, your kill team can only include each operative on this list once.

- ¹ With force stave, **PSYCHIC** weapons on their datapad and one of the following options:
 - Inferno bolt pistol
 - Prosperine khopesh
 - Warpflame pistol²
- ² Your kill team can only include up to one warpflame pistol and up to one soulreaper cannon.
- ³ These operatives count as half a selection each, meaning you can select both of them and it's treated as one selection in total.
