Storm-veiled Execution: Whenever this operative is within your **STORM**:

- It can perform the **Guard** action regardless of the killzone (see close quarters rules, *Kill Team Core Book*).
- It can perform the **Guard** action while it has a Conceal order, but if it does, it cannot perform more than one **Shoot** action for the rest of the turning point (i.e. it cannot **Shoot** both during the interruption and during counteract).
