**Seeker of Divine Arcana: STRATEGIC GAMBIT.** You can immediately change this operative's order and/or it can immediately perform a free **Omniscanner**, **Fall Back**, **Place Marker**, **Pick Up Marker**, **Reposition** or mission action. If it's the **Fall Back** or **Reposition** action and this operative isn't carrying a marker, it must end that move either within your drop zone (if this isn't possible, then as close as possible to it), or with an objective marker or one of your mission markers within its control range.

## OMNISCANNER

1AP

- ▶ Select one enemy operative visible to or within 8" of this operative to gain one of your Omniscanner tokens. Whenever a friendly **BATTLECLADE** operative is shooting against, fighting against or retaliating against an enemy operative that has one of your Omniscanner tokens, that friendly operative's weapons have the Ceaseless weapon rule.
- ◆ This operative cannot perform this action while within control range of an enemy operative.
