Blink Pack: Whenever this operative performs the **Charge**, **Fall Back** or **Reposition** action, it can warp jump. If it does, don't move it. Instead, remove it from the killzone and set it back up wholly within 7" horizontally of its original location (in a killzone that uses the close quarters rules, e.g. Killzone: Tomb World, this distance can be measured through Wall terrain). It must be set up in a location it can be placed, and unless it's the **Charge** action, it cannot be set up within control range of an enemy operative.
