

CHAOS CULT

FACTION RULE

MUTATION

Through arcane ritual, the most devoted among a Chaos Cult have profane symbols carved into their flesh or tattooed onto their skin. Should the correct words of invocation be uttered, these icons appear to draw empyric power, mutating the form of the devotee. This doesn't satisfy the dark cravings and power lust of some; depraved prayers are written upon flayed skin and nailed into tormented flesh, and daemons are summoned and bound into mortal bodies.

During the battle, friendly **CHAOS CULT**  operatives can **MUTATE** as follows:

- As a **STRATEGIC GAMBIT**, you can **MUTATE** a number of friendly **CHAOS CULT**  operatives based on the turning point as follows: TP1 = 2, TP2 = 2, TP3 = 3, TP4+ = 4.
- Whenever a friendly **DEVOTEE** operative incapacitates an enemy operative within its control range, it can **MUTATE**.
- Each operative cannot **MUTATE** more than once per turning point.
